

## EGAN SAFETY SOLUTIONS

Unit 14, Lee Park, Sitecast Industrial Estate, Pouladuff . Cork, Tel 021-4966560, Fax 021-4966576

<b>Course Title</b>	Forklift Operator
<b>Maximum Number of Participants:</b>	4
<b>Duration:</b>	3-4 Days Dependant on Experience
<b>Certification</b>	

### Course details

The use of forklift trucks in many companies helps to eliminate the necessity for undertaking Manual Handling activities. However, in order to ensure their safe use in the workplace, as well as to comply with the provisions of machinery legislation and other applicable legislation, employers are required to provide adequate information, instruction, and training in their safe use to their employees.

This course allows employers to ensure that their employees can become competent in the use and routine maintenance of this equipment.

### Objectives

Upon completion of this course, participants will be able to,

- Operate a Forklift safely, reducing the risk of injury to operators and pedestrians and increasing the efficiency of operators,
- Use safe operating techniques,
- Refuel/recharge Forklifts safely,
- Correctly position Forklift in relation to task requirement.

### Programme

This course will focus on the following areas,

- Legislation,
- Daily inspection procedures,
- Stability,
- General safety rules,
- Loading and stacking procedures,
- Stacking and de-stacking procedures,
- Material handling ,
- Maintenance,
- Charging and changing batteries,
- Fuelling procedures,
